What We Believe...

The J-Social Sports Program brings the community together by uniting athletes, coaches and parents through a variety of sports. The inclusive and competitive atmosphere will instill athletes with valuable life lessons as taught and modeled by coaches and parents. Coaches will provide a fun and athlete centered program that focuses on the process of fundamental skill development. Parents will act as spectators and demonstrate the highest levels of respect and sportsmanship as they cheer on all participants.

Teamwork: A good teammate cheers and encourages his or her teammates

Work Ethic: We don’t practice until we get it right we practice until we cannot get it wrong.

- Pre-K (Soccer only): This program will introduce our youngest athletes to the concept of team sports, teamwork and playing by the rules. The players will have fun giving their best effort while developing listening skills.

- Kindergarten: This program will introduce our youngest athletes to the concept of team sports, teamwork and playing by the rules. The players will have fun giving their best effort while developing listening skills and their own sense of self.

- 1st Grade: As the players continue to build on lessons learned in previous grades the players will experience patience, and perseverance through goal setting and the work ethic it takes to achieve these goals.

- 2nd Grade: Our players will begin to battle with concepts of integrity and honesty as they experience competition.

- 3rd Grade: How our players express themselves will be on display as they learn to win and lose with grace, handle their nerves as they thrive under pressure and show resiliency as they begin to deal with adversity within the sport.

- Grades 4-6: As our program continues to build on past lessons our players will come full circle and once again teamwork will be the main focus. Players of varying talent levels will learn to play together. Players will begin to show their commitment level to the sport while experiencing humility by taking risks to learn court and field discipline.

What We do...
