Maxine P. Waldman

Maxine and Erwin Waldman Youth Scholarship Fund

The Dallas Jewish Community Center is proud to pay tribute to the memory of Erwin Waldman by naming the JCC Annual Scholarship Golf Tournament in his honor.

A native born Dallasite, Erwin's life was always centered around the Dallas Jewish Community. He held numerous positions of leadership, including those with B'nai B'rith, City of Hope, Congregation Shearith Israel and the Jewish Federation of Greater Dallas. However, his greatest civic pride came from his love for and involvement in the Dallas Jewish Community Center, where over his lifetime he served in multiple capacities, culminating with his presidency from 1966 to 1968.

Erwin was highly regarded in business and well known locally and nationally as the co-founder of Waldman Bros, now known as IMA | Waldman, a highly successful insurance and financial services firm which has been serving the community since 1939.

His wife Maxine and his family were always the most important focus of his life.

In recognition of his love for the J, they honored him by establishing the Maxine and Erwin Waldman Youth Scholarship Fund, designed to provide children with the opportunity to participate in the many different activities available at the J.

If Erwin were here, he would enjoy seeing what the J has become. And we would thank him for his contribution.

Without your help someone might not have been in this picture...

Because of you, the J was able to provide scholarship assistance to children and families who would otherwise be unable to participate in services and programs at the J.

Last year more than \$140,000 was raised through the tournament, helping to provide scholarships to summer camps at the J and the Goldberg Family Early Childhood Center.

Thank you for supporting the J.

Still Going Strong All These Years

IN 1989, THE J HELD ITS FIRST GOLF TOURNAMENT to raise funds for its preschool and camp scholarships. What began as a day on the green and a modest fundraiser has spanned into a 30-year legacy that has raised more than one million dollars. These monies are funneled directly back into the community allowing children in the Dallas area access to quality life experiences that only time in preschool or camp can bring. Simply put, a day on the green has turned into lasting smiles on the faces of children and memories they will cherish forever.

Like all of the J's great events, the golf tournament couldn't come together without the passion, dedication and creative vision of our golf chairmen, chairwomen and volunteers. We would like to thank them for all they have done and continue to do for the J and the children.

*The J offers its deepest gratitude to our golf
tournament chairs from the past years.*
