**The Dallas Jewish Community Center of Dallas
is proud to pay tribute to the memory of Maxine & Erwin Waldman
by naming the JCC Annual Golf Tournament in their honor.**

A native born Dallasite, Erwin's life was always centered around the Dallas Jewish community. He had numerous positions of leadership including those with B'nai B'rith, City of Hope, Congregation Shearith Israel, and the Jewish Federation of Greater Dallas. However, his greatest civic pride came from his love and involvement with the Jewish Community Center of Dallas, where over his lifetime, he served in multiple capacities culminating with his presidency from 1966 to 1968. Erwin was highly regarded in business and well known locally and nationally as the co-founder of Waldman Bros now formally known as IMA | Waldman.

Maxine was born in Chicago but became a true Texan at the age of five. She was an active and honored member of Congregation Shearith Israel and a devoted volunteer at the Presbyterian Healthcare Center in Dallas for 44 years. As a true role model to the young members of the BBYO, Inc., Maxine served as an advisor and volunteer for years. Maxine spent many weekends at the J attending B'nai Brith Girls meetings.

Maxine and Erwin were married in 1940 and shared a wonderful life of family, friends and community for 61 years. Even though their family was always the most important focus in their lives; together Maxine and Erwin were a caring, devoted couple in the Dallas Jewish community.

In recognition of their love for the J, they have been honored with the Maxine and Erwin Waldman Youth Scholarship Fund designed to provide children with the opportunity to participate in many different activities available at the Jewish Community Center of Dallas.

We are honored to celebrate Maxine and Erwin, and know that their memory, service and love for the J lives on...

In memory of Maxine and Erwin Waldman,

We proudly support the 2019 IMA | Waldman and North Dallas Bank & Trust Co.
Maxine & Erwin Waldman Memorial Golf Tournament.

Congratulations to all who have worked so very hard to make this
a successful tournament. Maxine and Erwin would have cherished
this annual event.

Maxine played golf a few (probably two) times in her life. Once she entered
a tournament at the Columbian Club. On the 18th hole, while the crowd
was watching the ladies final round, Maxine holed a 30 foot putt.

Erwin said... 'That's my gal!'

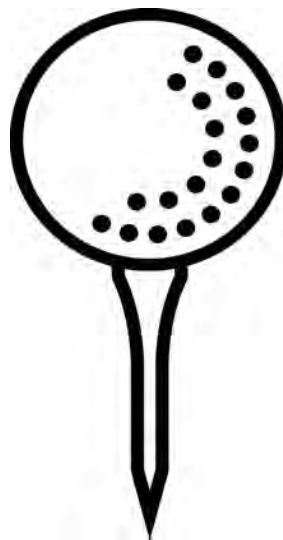

He took a puff on his cigar and walked
to the clubhouse to celebrate.

We all celebrate, Mimi and Papa!

Without your help someone might not have been in this picture...

Because of you, the J is able to provide scholarship assistance to children and families who would otherwise be unable to participate in services and programs at the J. Last year more than \$140,000 was raised through the tournament, helping to provide scholarships to summer camps at the J and the Early Childhood Center.

Thank you for supporting the J.

Still Going Strong All These Years

IN 1989, THE J HELD ITS FIRST GOLF TOURNAMENT to raise funds for its preschool and camp scholarships. What began as a day on the green and a modest fundraiser has spanned into a 31-year legacy that has raised more than one million dollars. These monies are funneled directly back into the community allowing children in the Dallas area access to quality life experiences that only time in preschool or camp can bring. Simply put, a day on the green has turned into lasting smiles on the faces of children and memories they will cherish forever.

Like all of the J's great events, the golf tournament couldn't come together without the passion, dedication and creative vision of our golf chairmen, chairwomen and volunteers. We would like to thank them for all they have done and continue to do for the J and the children.

*The J offers its deepest gratitude to our golf
tournament chairs from the past years.*
