

# LAURA SEYMOUR CAMP IMPACT AWARD

---

## LINDSAY THOMAS

---

Lindsay Thomas started at the J when she was a camper. She was hired for her first job as a Camp Chai counselor in 2015, became a unit head in 2019, and hasn't left since! Lindsay feels so lucky each year when she gets to meet new children and her favorite part of camp is making an impact on each child's life.

Because of camp, Lindsay has learned she has such a strong passion for working with children. The camp experience was a deciding factor for her to be an education major in college.

Throughout her time at the JCC, Lindsay has grown to be a confident, compassionate, and loving leader who works hard to always bring positive energy to every room she enters. She feels so lucky to be a part of the JCC family and cannot wait to continue working at the J for many more years. Receiving this award is a very special honor to Lindsay because she looks up to Laura, thinks so highly of her, and appreciates Laura being one of her biggest supporters and role models from the J!
