

HANK BODNER AWARD

ALICE SMITH

The JCC has been a big part of Alice's life ever since she stepped into her first gymnastics class in the second grade. She immediately fell in love with the sport and soon after joined the team. Throughout her journey in the JCC gymnastics program, Alice has formed long-lasting friendships with her teammates and bonds with her coaches. She has grown to be a leader in the program as team captain. Alice now competes at the Xcel Diamond level. She is excited to start working as a Gymnastics Camp Counselor this summer.

Outside of the J, Alice is a rising sophomore at the Hockaday School and enjoys math, history, and ceramics. She loves giving back to the community as she is a member of the Red Cross club and an organization called Letters for Destiny. Alice is a varsity diver and participates in a tech theater program.

Alice loves being a part of the gymnastic program and the JCC family. She is thankful for the lessons she learned here - comradery, commitment, and compassion. Alice is absolutely delighted to receive the Hank Bodner Award.
