

TENNIS STARS

TENNIS PROGRAM (Ages 10+)

PROGRAM SYNOPSIS

The Tennis Stars Tennis Program is thoughtfully designed for tennis enthusiasts aged 10 and above, whether they have already established fundamental tennis skills or are looking to build them. This 7-week program is structured to bolster participants' foundation, focusing on technique enhancement, strategic thinking, and immersive match play. With an introduction to the "green ball," designed for better control and skill development, participants have the option to begin or progress their journey in tennis. Depending on skill levels, the curriculum may utilize the green ball or transition to the yellow ball. Through engaging drills, tailored exercises, and dynamic match simulations, the program aims to instill a passion for tennis, elevate overall performance, and set the stage for advanced competitive play.

PROGRAM OBJECTIVE

The primary goal of the Tennis Stars Program is to empower players to advance their skills, creating a strong base for competitive play. The curriculum will focus on refining footwork, strokes, tactical thinking, and sportsmanship. The introduction of the green ball will smooth the transition from beginners to intermediates.

WHAT TO EXPECT:

- Participants will develop exceptional control and skill with the green ball, building a strong foundation for more advanced play, while having a lot of fun on the court.
- Expect engaging and innovative drills and exercises tailored to enhance technique, footwork, and strategic thinking, boosting overall performance.
- The program features high-intensity match simulations, where players get a taste of competitive play and gain valuable experience in real match scenarios.
- A culminating event where participants can demonstrate their skills and receive their progress.
